

“Gratitude To Participating Artist / Cartoonist Worldwide”- Earth

Day 2014

To all artist / cartoonist who submit entries for Earth & Me International Call for Submission, thank you so much for your participation!

We truly appreciate your effort and time to inspire and educate the world through drawing cartoons on the current situation of our planet and what can we do to conserve the remaining natural resources.

Much gratitude to Seyran Caferli for helping to post the submission at International Cartoon News Center web page.
