

7. DON QUICHOTTE "CITIZENSHIP" INTERNATIONAL CARTOON CONTEST PRIZES

The jury of "Citizenship" 7. DQ International cartoon contest has finished their works. In this competition the most challenging issue was a clear understanding of the theme. The "Immigration" and the "citizenship" confused with each other, and took some time to make a separation. A second problem was sending of awarded cartoons. We therefore removed some works from assessment, even some the winning cartoons are dislected from the list without further discussion. Ultimately we were very satisfied with the results, Here are the awards.

We thank all artist who partipated and supported our competition.
